

French Language Summer Camp

Location: Zach Elementary School of Fort Collins

Dates: July 8 - August 2

Hours: Monday -Friday 9am -12 noon

Ages: 5-12 Elementary age

Cost: \$250/week or \$895 for all 4 weeks

General Information

French language camps run over a 4-week period. Campers may choose any single week of these 4-week camps or all 4 weeks at a discounted price. These camps are created for a beginner to advanced beginner level French speaker. No prior language experience is necessary. This class is perfectly designed to serve in filling the gap for those that study or have the desire to study during the academic school year. This is also a great opportunity for those that do not study throughout the year and want to develop specific skills so that they could travel abroad with the confidence they need to explore all of the amazing Francophone

countries of the world. Each of the four weeks will concentrate on four different topics, 1) conversation, 2) nature and animals, 3) cuisine and gastronomy 4) music and cinema. This is a class for ages 5 to 12 years of age or elementary level. This is a full immersion method of teaching which is supported by bright clear visuals, simple structure, repetition, positive reinforcement and fun! We will encourage extra opportunities to demonstrate the skills that we learned throughout the week. The materials fee is included in the price of tuition. This includes a workbook, dictionary and supplies for crafts and snacks during class. Space is limited to 15 students, so register now!

Dear Campers,

Welcome to 2019 French Language Camps with French by Alexis. Every week your child will have the opportunity to explore the Francophone World without leaving Fort Collins. We will be expanding our minds, developing new skills and forming new friendships. Engaging topics each week will provide new and exciting experiences that your children will keep for a lifetime. I am so excited to start this journey with your children.

-Alexis Cale Summer Camp Director
