

FRENCH SUMMER CAMP

This camp was created for a beginner to advanced beginner level French speaker. These classes are perfectly designed to serve in filling the gap for those that study or have the desire to study during the academic school year. This is also a great opportunity for those that do not study throughout the year and want to develop specific skills so that they could travel abroad with the confidence they need to explore all of the amazing Francophone countries of the world. Each of the four weeks will concentrate on four different topics, 1) conversation, 2) cuisine and gastronomy. We will be learning basic skills of listening and speaking. This is a class for ages 5 to 12 years of age or elementary level. This is a full immersion method of teaching which is supported by bright clear visuals, simple structure, repetition, positive reinforcement and fun! The class will meet Monday through Friday 9am until noon. The materials fee is included in the price of tuition. This includes a workbook, dictionary and supplies for crafts and snacks during class. Space is limited to 15 students, so register now!

Dear Campers,

Welcome to 2020 French Language Camps with French by Alexis. Every week your child will have the opportunity to explore the Francophone World without leaving Fort Collins. We will be expanding our minds, developing new skills and forming new friendships. Engaging topics each week will provide new and exciting experiences that your children will keep for a lifetime. I am so excited to start this journey with your children. -Alexis Cale Summer Camp Director
